A Word from the Vorstand

Andreas Hirl & Brigitte Wittekind

Dear Members,

It has taken us some time to compile this most recent newsletter but finally we were able to get it done. The next major event coming up is our **annual meeting in Munich** on the week-end of **July 8th-10th** with highlight as a visit of the "Lach- und Schiessgesellschaft" and optional skydiving on Sunday. The meeting will be organized by Alex, Florian and Markus. We are very much looking forward to seeing most of you there!

Unfortunately, during the last couple of months our activities have not been up to the usual standards. The ski-week-end was cancelled due to a lack of participants and the "Stammtisch" has fizzled out. Financially we are in an excellent shape and Sven is doing a tremendous job in keeping it that way.

What is coming up?

Going forward we would like to revive activities, starting with another Stammtisch in Frankfurt on May 5th at the restaurant "Dos locos" (8pm; Scheffelstr. 1 in the Nordend).

Of course, members in other cities are encouraged to set up similar social events.

As usually, we ask you to update your personal information regularly. Especially the e-mail addresses are quite important. We try to send as much information via e-mail as it is cheaper and causes much less work than a mailing via snail mail. This newsletter is the third edition that is distributed via e-mail only!

Scholarship Information

Brigitte Wittekind

This year we are again awarding to scholarships of €1,500 each. Fortunately, an in-state tuition waiver will be added to the scholarship in case it is awarded to an incoming student. This will hopefully help to make UT more attractive for incoming German students.

Tina Mabley is currently helping us to promote the scholarship to current and incoming students.

As we think that the in-state tuition waiver is a really great offer and may for prospective MBA students, we would also encourage you to communicate this offer also among your colleagues and friends

Skiing Trip Cancelled

Andreas Hirl & Sascha Bock

Unfortunately we had to cancel our ski trip due to lack of interest. We will try next year to schedule it more in advance; however a minimum participation is required.
